## SPARKLING IS P. H. S. BANQUET

One of Snappiest Affairs of Season is Junior-Senior Banquet at High School Last Evening—Three Hundred Attend

The Junior-Senior banquet held in the high school cafeteria last night was a huge success, and beyond doubt one of the finest of its kind ever held at P. H. S. There were over three hundred guests present of which two hundred were students and the others guests of the Junior class. Mr. Jones had arranged a fine program. The first number on the program was the selection played by the high school orchestra in which all the students joined in the singing. The Rose Tree orchestra, which played many of the high school songs, was second on the program. Then came Grey and Kellogg in their famous rag-time solos. The classical spirit of Locinavar was represented in person and glory by Laveda Leister, which was the hit of the evening.

Kellogg gave a German dialect monologue for the sixth number on the program and it was more than funny. Tom Marlar, president of the Senior class presented the cane to the Junior class, that has been carved by the graduating classes since 1908. Mr. McFall gave a very interesting speech for the eighth number. Many high school yells were given by both classes. Much credit must be given Louie Hart for the way he carried out the program as toastmaster, as he kept things going all the time.

The entertainment committee will serve tea at the Country club this afternoon from four to six o'clock. Carls in the afternoon and election of officers. A good attendance is desired.

The dinner was served in a splendid manner, and the tables were decorated in white and green. The students hated to see the finish of the big banquet, but after the guests had finished, Toastmaster Hart got up and made a little speech as president of the Junior class and after he had done, the guests were all asked to rise and sing America, which concluded the affair.

Chief of Police Asked to Locate Two Men Who Have Been Away from Home a Long Time

Information as to the whereabouts of William R. Bump of Meridian, Nebraska, and Con Driscoll of Peoria, Illinois, is wanted by Chief of Police Bradshaw.

Seemingly the two men were last seen in Phoenix. In the case of Driscoll, his sister-in-law has written to the chief and stated that he has been gone four years. A traveling man reported to her that he saw the missing man on the streets of Phoenix about

Importers of Whiskey, Separated, Tell Various Stories; Dillon Tipped Off, Starts Raid

Tipped off by wire that it was coming, United States Marshall, party Fred Weaver and Under Sheriff Jilly Woolf lucked into the booze supply something scandalous last night. The haul consisted of:

Item 1. Three trunks of whiskey.  
Item 2. J. H. Pearson, barber.  
Item 3. Frank Palmer, lodging house keeper.

Palmer was lodged in the county jail. Pearson was booked at the city hall. There was a method in this division, for upon arrest and on being separated, the two evinced a desire to talk. One said he had never seen the other. Toller allowed that the first one bought his ticket. And there you are.

Two of the trunks were booked through on the tickets and the other came in as excess baggage. They came in over the Santa Fe via Ash Fork.

Pearson was a barber here. Palmer was a bartender here.

**Improves your skin while cleansing it**  
Almost any soap will clean the skin and hair. Many toilet soaps are pure enough to do so without injuring these delicate textures. But those who want a soap that not only cleanses but actually helps the complexion and hair are wise to choose Resinol Soap.

The soothing, healing properties of Resinol enable it to protect the skin and scalp from annoying eruptions, keep the complexion clear, and the hair rich and lustrous. This soap which is merely pure and cleansing cannot be expected to do.

Now is a good time to sit back and take stock of what clothes you will need to promote summer comfort.

The stocks are complete now.

Stylish Straw Hats. Newest novelties in canvas leather trimmed oxfords

Palm Beach and tropical worsted suits.

New Summer neckwear.

er confessed to having kept a lodging house in Los Angeles, before a visit to Arizona some months ago convinced him of better "openings" in this state.

Ruxton's father has made the inquiry about him. He was last located in Goldfields, Nevada. He left there suddenly, and has never been heard from. The father has had a report that the young man has been seen in Phoenix, and has made a pitiful plea to Chief Bradshaw to make an endeavor to locate the young man. The chief will be glad to receive any information as to the whereabouts of the two men.

## PIANO FREE

Any piano in our store will be given free to anyone not convinced that the following is bona fide after investigation. Our records are open to all.

## THE STORY

You've heard of the "duplicate shipment" stunt haven't you—to sell goods? Well—this is THAT very thing. We have an extra shipment of five (5) pianos at the depot. We contend that the factory is to blame for sending a double order—and they lay the blame on us.

## OVERSTOCKED

If we were not overstocked from our "3 for 1" arrangement in our recent Piano sale whereby we obligated ourselves to purchase 381 pianos of other makes, we would accept these pianos at the depot. But summer is nearly here, and we cannot buy another new piano for stock, except what is already ordered.

## WE COMPROMISE

The factory says the pianos will sell themselves—and they pay for this advertisement. So we have agreed to bring up one of these pianos at a time from depot, and another and another as they are sold.

## THE PRICE

Factory cost with freight added. Terms if desired—factory carries the deal.

## ONLY ONE CONDITION

This adv. must be brought in, otherwise we will not show the piano. We naturally assume that if the piano sells itself as the factory asserts, it must not interfere with our regular trade. So, bear out this adv. and bring it to us.

This adv. will only run twice. No other advertising of the pianos will be made.

Sunday evening. A reception to the new members will be held at the church on Monday evening. Evangelist James A. Barnett will remain over for the reception.

Splendid interest has marked the services this week in spite of the many outside attractions and the warm weather. On last evening the evangelist brought a challenging message from the subject, "A Lost Opportunity." A quartet composed of Mrs. G. W. Heuser, Miss Edith Harrison and Messrs. Pese and Pceatt rendered in a most effective manner the gospel song "The Tenderly Looked at Me." The sermon tonight will be a chart sermon on "The Ark a Type of the church." There will be a special musical number.
